97-DOE-05169

Mr. Ron Cattany, Deputy Director
Colorado Department of Natural Resources
1313 Sherman Street, Room 718
Denver, CO 80203

Dear Mr. Cattany:

As part of our obligations to you as a Natural Resource Trustee for the Rocky Flats Environmental Technology Site, the Department of Energy (DOE) is hereby notifying you of the availability of the final Corrective Action Decision/Record of Decision (CAD/ROD) for Operable Unit (OU) 1, 881 Hillside. The CAD/ROD, which has been approved and signed by both the Environmental Protection Agency and the Colorado Department of Public Health and Environment, presents the selected remedy for OU 1 and is available in the Information Repositories.

Notification of the availability of these documents is submitted to you as required by the November 4, 1994, Natural Resource Trustee Memorandum of Understanding, to provide for sharing of technical expertise and cooperation in integrating natural resource protection. Natural resource damage is discussed in the "Summary of the Comparative Analysis of Alternatives" section on page 17 and in "The Selected Remedy" section on page 19.

If you have any questions, or would like DOE to provide you with a copy of the CAD/ROD, please call Sandi MacLeod at 966-3367.

Sincerely,

A handwritten signature in cursive script, reading "Gail S. Hill".

Gail Hill, Acting Group Lead
Regulatory Liaison Group

Original sent to all Natural Resource Trustees
